

Dear Olivehurst-Linda Little League Parent:

It is my great pleasure and privilege to serve and support the children and families of Olivehurst-Linda Little League. Before OLLL, I volunteered as a softball coach and board member with Live Oak Little League for 5 years. This is my second season volunteering with OLLL.

The children and families are important to me and to your Board. Your season with OLLL means more than paying registration fees. Your season means development of new relationships, building on relationships already made and gaining support from board members, managers, coaches and parents. Most importantly, your season means working together in developing a growing, learning and caring environment. Our goal for OLLL is not only to develop superior athletes but to also develop superior citizens in the community by promoting qualities of citizenship, independence, responsibility, discipline, physical well-being, and the importance of being part of a team environment.

I am proud to be a part of Olivehurst-Linda Little League. I look forward to new relationships I will make with all of you. I look forward to seeing our teams play in Tournament of Champions and All Star games! I am excited for the 2008 season and excited to grow and learn as a person and as a new President and excited to care for a great organization!

Sincerely,

Rebecca Canada
2008 President
