

## Snack Bar Survey

The snack bar at Olivehurst Linda Little League is one of leagues biggest ways to raise money to support the league to purchase equipment, uniforms, maintain the playing fields, pay utilities and help keep the cost of registration as low as possible. In years past finding volunteers to help with the snack bar has not always been easy. This year we would like to make it easier by asking the parents for their suggestions on how we, the board can make it better. OLLL would greatly appreciate your input on Snack Bar.
