Rebecca Canada, President
Doug Ridley, Vice President

The 2008 Little League season is fast approaching. The new board members have been elected and planning for the new season has begun, we are all so very excited to hear the roar of the crowds, and sound of the ball hitting the bat once again.

Olivehurst Linda Little League strives to provide one of the communities best athletic resources for our youth. In providing a safe, secure environment, with strong moral leadership, Little League helps to foster strong, committed caring young people. Your generous donations help us to provide this needed resource to our community.

With the help of all the donations and sponsorships from previous seasons we have been able to pave a new road way into our park, build beautiful dugouts providing safety and shade for our T-Ball division, pave smooth sidewalks making our fields more accessible to all, rebuild our announcer's booth, and purchase new equipment and uniforms.

This year with the help of your organization we hope to be able to again continue to make our fields and facilities the best for the children of our great community.

Enclosed is a copy of our sponsorship/donation levels and the Olivehurst Linda Little League Sponsorship Policy.

Olivehurst Linda Little League is a 501(c)(3) non-profit charitable organization your donation is considered tax deductible and we will gladly send you a formal letter with our tax id number on it for your records.

Thank you for your continuous support to the children and families of Olivehurst Linda Little League.

If you have any questions please contact the Fundraising/Sponsorship Coordinator, Heather Guadarrama at (530) 742-7949 or e-mail her at fundraising@playoll.org.

The Board of Directors, Olivehurst Linda Little League
